Questions? Contact Darthea Park at [dpark@pps.net](mailto:dpark@pps.net)

Columbia Regional Program collaborates with local school districts in Multnomah, Clackamas, Hood River, and Wasco counties to support students with ASD and other disabilities. Our monthly Saturday meetings are led by licensed ASD Specialists to provide parents and caregivers with an opportunity to connect and to learn about strategies and resources.

The information shared is intended to be useful to parents and caregivers with children of all ages and ability levels, though we encourage you to check the topic for each session via our online calendar to be sure it will be useful for you and your family.
